What is a lithium ion battery charging and storage cabinet?

The new Justrite lithium ion battery charging and storage cabinet provides the ideal storage solution. Featuring ChargeGuard™ technology, this new cabinet was designed especially for minimizing the risks of battery fires and thermal runaway that arise when storing and charging lithium ion batteries in the workplace.

Which lithium-ion charging cabinets should I Choose?

Asecos provides two reliable lithium-ion charging cabinets to fit your specific needs. Both options offer exceptional fire protection and safety features, ensuring secure storage and battery charging. This guide will help you choose the right cabinet size for your space and capacity requirements.

Why should you choose Ion-line battery storage cabinets?

Dangerous: Unattended storing and charging of batteries. All-round protection: ION-LINE safety storage cabinets for your safety. Frequent, sometimes weekly accidents and countless damages prove that the unattended charging and storing of batteries, for example, overnight, poses significant risks and dangers.
