

250kw modular outdoor cabinet for hospitals

Overview

Is a power conversion system available as a pre-assembled cabinet?

It is available as a standard pre-assembled cabinet (Power Conversion System, PCS) or as a Power Conversion Kit (PCK) for custom integration. This flexibility allows you to either deploy a ready-to-use solution or tailor the system to your specific installation needs. Why energy storage?

Why should you choose CATL & socomec battery cabinets?

The battery cabinets are delivered fully assembled, and include made-to measure cable kits for DC, communication and auxiliary power connections. Thanks to a co-design between CATL and Socomec, you can be assured of compatibility between products, and that the complete system has been validated and certified.

How can Porta-King help you design equipment enclosures?
