

25kW Communication Power Supply Cabinet for Workshop OEM

Overview

Are our power supply cabinets UL compliant?

We make sure to meet strict industry standards when it comes to the design and manufacture of our power supply cabinets. We are compliant with the following standards: IEC 60297 , UL 508A, NEMA 250. Our facility is manned by industry-leading experts in the field of power supply and control.

What is a power supply cabinet?

Our power supply Cabinets are designed to protect your critical equipment from power surges and voltage spikes from the toughest operation condition. Our distribution cabinets can be made from materials such as Aluminum, Steel, or Stainless Steel. We provide a variety of outdoor power supply cabinets to meet the needs of different industries.

Who is Doho power supply?

DOHO is a leading provider of power supply and control products in China. We offer a complete line of power supply cabinets for various applications and industries. Our products are UL, CSA, and CE approved. DOHO is an established power supply box manufacturer that offers both conventional and custom options for your specific needs.

What are the standards for power supply & control?

We are compliant with the following standards: IEC 60297 , UL 508A, NEMA 250. Our facility is manned by industry-leading experts in the field of power supply and control. With over years of experience, our team can provide you with the best solution for your application.
