

After-sales service for 120kWh communication power supply cabinet

Overview

What is a power supply cabinet?

Our power supply Cabinets are designed to protect your critical equipment from power surges and voltage spikes from the toughest operation condition. Our distribution cabinets can be made from materials such as Aluminum, Steel, or Stainless Steel. We provide a variety of outdoor power supply cabinets to meet the needs of different industries.

Are our power supply cabinets UL compliant?

We make sure to meet strict industry standards when it comes to the design and manufacture of our power supply cabinets. We are compliant with the following standards: IEC 60297 , UL 508A, NEMA 250. Our facility is manned by industry-leading experts in the field of power supply and control.

Who is Doho power supply box manufacturer?

DOHO is an established power supply box manufacturer that offers both conventional and custom options for your specific needs. Our product engineers will work with you to develop a cost-effective solution that meets the unique requirements of your application. DOHO knows that time is often critical in the power supply industry.

Who is Doho power supply cabinet manufacturer & exporter?

DOHO is a professional power supply cabinet manufacturer and exporter in China. We provide high quality products with competitive price for you. Please contact us if you have any interest in knowing more details!
