

Athens cabinet emergency power generation equipment

Overview

Will New Athens Generating Company get a tax break?

Tiffany Greenwaldt-Simon reports for Columbia-Greene Media that months after the Greene County Legislature extended a large tax break New Athens Generating Company, the business is petitioning New York's Public Service Commission to approve the sale of the Athens Generating Plant.

Is GE Vernova ready for emergencies?

With more than 20 years of experience and more than 340 units installed around the world, GE Vernova is ready to act in the wake of natural disasters, plant shutdowns, grid instability, and other emergencies. Are GE Vernova's emergency power solutions right for you?

Emergency power generation is crucial in urgent and temporary situations.

Will GE Vernova install high-capacity gas turbines in Algeria?

To help address the issue, Algerian officials called on GE Vernova to install dozens of high-capacity gas turbines in northern Algeria and truck-mounted TM2500s in the rest of the country. Each TM2500 can deliver up to 36 megawatts (MW) of power and can operate efficiently at partial load.
