

# Australia solar cabinet system battery agent

## Overview

---

Who are Australian batteries & solar?

Based on the Sunshine Coast in Queensland, Aussie Batteries & Solar is proudly an Australian company, specialising in batteries for all applications and complete solar systems. We believe in supplying the hardiest and most suitable products available, built to best handle Australia's harsh environmental conditions.

Can I add more cabinets to my solar system?

Please note: Larger systems are possible by simply adding additional cabinets. Ready to get started?

We can provide you with a quotation for all your solar and power requirements. Wescor are the Off-grid and On-grid Battery Storage Experts. Wescor provides and installs quality Battery Enclosures. Call 0401 556 546.

What are battery storage solutions?

As we move towards a greener future, our Battery Storage Solutions help customers get the most out of their new or existing Solar Systems. From small residential systems to large Utility At Chelion, we specialize in transforming energy storage with sustainable, innovative solutions.

How do I contact solarbox Australia?

For product availability you can call us, use the chat function or email SolarBox directly at: [sales@solarboxaustralia.au](mailto:sales@solarboxaustralia.au) If there is a delay on your order or your item is out of stock you will be emailed immediately to let you know. Shipping prices are calculated at checkout depending on weight and where it is being shipped to.
