Founded in 2008, EcoDirect is a value added distributor that can help Bahamian homeowners, businesses and commercial projects in New Providence, Grand Bahama, Great Abaco, Eleuthera and throughout The Bahamas with project design, supply, logistics and technical support.

Is your electrician solar trained and how many solar projects has he done?

Does your roof have a southern-facing side and is it sun-exposed or under the shade?

why choose us?

There are a lot of folks claiming to be solar installers. Find out why a code compliant installation like ours is the only.

GSL ENERGY, a professional LiFePO<sub>4</sub> battery manufacturer, OEM/ODM supplier, and factory-direct wholesaler, continues to expand its footprint in the global solar energy market. In October 2025, GSL ENERGY successfully installed a 48kWh residential solar energy storage system in the Bahamas, using.

Alternative Power Supply is the leading solar installation and solar service company in the Bahamas. We are the Authorized Outback Power Installers and Warranty Repair Service Center. We install Grid Tied, Grid Interactive and Battery Energy Storage Systems to the highest international standard.

From Nassau to the Family Islands, we supply premium solar panels, inverters, and batteries to installers across New Providence, Grand Bahama, Abaco, Eleuthera, and beyond. Explore our comprehensive range of high-quality solar equipment for your renewable energy needs Founded in 2018 and.

The first step to going solar is a site assessment. We evaluate your home or

business's energy usage and utility rate to determine potential solar savings. With the initial evaluation we're able to determine payoff period and ROI. The solar systems we install typically have a payback between 4-7.

Island Solar is based in Nassau, Bahamas and is committed to installing safe, high quality, code compliant and long lasting solar electric (photovoltaic) systems in the Bahamas and across the Caribbean. We specialize in commercial systems from 50 kW to multi-megawatt utility scale systems. We are.
