By rack height, the 48U category is the fastest mover, expanding at 15.3% CAGR, while 42U units retain 56.6% share of the Canada data center rack market size in 2024. By rack type, Cabinet (Closed) models accounted for 71.7% of revenue in 2024 and are poised to rise at.

The LX cabinet platform is the most customizable cabinet on the market, with cutting-edge aesthetics, designed to meet the needs of the most demanding environments, and with over 750 cable management, mounting, and airflow accessories. From Core to Edge and Multi-Cloud data centers, the LX provides.

Canada's Data Center Rack Market is Segmented by Rack Size (Quarter Rack, Half Rack, Full Rack), by Rack Height (42U, 45U, 48U, Other Heights (≥52U and Custom), Rack Type (Cabinet (Closed) Racks, Open-Frame Racks, Wall-Mount Rack), Data Center Type (Colocation Facilities and More), Material (Steel.

Data center racks are metal frames used for organizing IT equipment such as servers and switches. Cabinets are enclosed racks that offer added security and environmental control. Cages are secure areas within a data center that house multiple racks or cabinets, providing an extra layer of security.

Multi-level metal data rack enclosures allow for housing the hardware durably, ergonomically, and securely. They feature a solid metal body with locking doors, side panels, a roof, built-in fans, and other complementary parts. 12U 18" Depth Wall Mount 19" Enclosure S. 19" Wall Mount Server Rack.

The data center rack market in Canada is expected to reach a projected revenue of US$ 351.1 million by 2030. A compound annual growth rate of 11.4% is expected of Canada data center rack market from 2024 to 2030. The Canada data center rack market generated a revenue of USD 164.5 million in 2023.

Server racks are critical for data centers, providing essential support, cooling,

power distribution, and security for IT systems. Choosing the right server rack involves understanding dimensions, weight capacity, cooling needs, and the type of rack, whether open or closed frame. Regular.
