

Communication cabinet IP55 for distributed energy in Central and Eastern Europe

Overview

What is ip55/ip65 certification?

IP55/IP65 Certification from 3rd party testing lab. Cold Rolled steel, 201 stainless steel, 304 stainless steel, 316 stainless steel as well as galvanized steel, which will suit your various requirements and budgets. These quality materials can protect the equipment against harsh weather conditions like rain, wind and sand storms.

What is an outdoor integrated cabinet?

Outdoor integrated cabinet is well suited for power equipment, batteries, telecom gear, all integrated into a robust, economical package. The cabinet contains internal mounting rails, which allow installation of standard 19" equipment. Support custom-made.

What are HVAC outdoor Telecom enclosures & cabinets?

AZE's HVAC outdoor telecom enclosures and cabinets are designed specifically to protect high density installations of network equipment in outdoor environments and are ideal for wireless, wireline, and utility and applications.
