Damascus outdoor telecom cabinet wind-resistant type

ICEENG CABINET - Professional Cabinet Solutions

Overview

The cabinet works very well as a stand-alone power and/or battery backup solution and provides additional space for telecom equipment. The fan and filter has the advantage that a large amount of air can be exchanged, giving very high cooling performance with low power consumption.

The cabinet works very well as a stand-alone power and/or battery backup solution and provides additional space for telecom equipment. The fan and filter has the advantage that a large amount of air can be exchanged, giving very high cooling performance with low power consumption.

KDM's outdoor telecom enclosures are weatherproof, rainproof, waterproof, sun-proof, and dustproof cabinets with IP ratings of IP55 up to IP67 ratings and NEMA standards of 3R up to 6. They have adjustable rack sizes and spacing, a 3 and 4-point locking system, and solar caps to manage heat loads.

American Products offers a full line of outdoor cabinets and enclosures engineered to reliably, safely and securely protect your connections and valuable equipment. We've been building quality products in America's Heartland since 1989. Over the years, our team and capabilities have grown, but our.
