

Delivery time for the 80kWh mobile outdoor cabinet

Overview

1.Q:How long is the delivery time of your products?

A:Usually about 15days . 2.Q:What kind of certificates your products have?

A:GSL ENERGY battery products have acquired UN38.3, CE, FCC, UL and PSE certificates, which is able to satisfy most country's importing requirements.

1.Q:How long is the delivery time of your products?

A:Usually about 15days . 2.Q:What kind of certificates your products have?

A:GSL ENERGY battery products have acquired UN38.3, CE, FCC, UL and PSE certificates, which is able to satisfy most country's importing requirements.

SR series of small-scale optical storage integrated outdoor cabinet energy storagesystem adopts modular design, featuring easy integration, easy deployment, easyexpansion, etc., which guarantees the user's system security, and can be used for peakshaving and valley filling, self-generation and.

GSL ENERGY is focused on manufacturing, R&D and sales for safe Lithium battery and solutions. With the registration and certification of CE, SGS, ROHS. Striving to grow into a global leading lithium battery supplier, GSL ENERGY has been working hard on researching and developing new process.

Over time, the company's annual sales will continue to grow. By the end of 2023, the company's sales will exceed 30 million US dollars. Gradually become a leader in the lithium battery industry. Why choose us?

Quality and reputation: As a pioneer in the field of lithium batteries, GEB has.

such as small-scale monitoring : power module, and energy management battery, refrigeration, in one. It fire commercial and industrial energy storage, photovoltaic diesel storage, is suitable protection, for microgrid dynamic scenarios functions, photovoltaic storage and charging. The local control.

Versatile configuration: use 30kW/80kWh as a basic build block to build up a larger

system. Application: Commercial and industrial facility power back up such as office building, warehouse, company data room, doctor office, municipal building, school, gym, demand change mitigation, solar power.

GSL ENERGY is focused on manufacturing, R&D and sales for safe Lithium battery and solutions. With the registration and certification of CE, SGS, ROHS. Striving to grow into a global leading lithium battery supplier, GSL ENERGY has been working hard on researching and developing new process.
