

Dominica energy storage power station opening hours

Overview

DOMLEC Fond Cole Power Station open now. Roseau, phone, opening hours, photo, map, location.

DOMLEC Fond Cole Power Station open now. Roseau, phone, opening hours, photo, map, location.

DOMLEC operates a diverse mix of power generation facilities strategically located across Dominica to ensure a stable and efficient electricity supply. Harnessing the island's abundant water resources, DOMLEC manages three run-of-the-river hydroelectric plants situated along the Roseau River in the.

As the sole supplier of electricity we promise the Dominican public the best in customer service and reliability. Our goal is to deliver the quality and range of services that meet the needs and demands of your busy lifestyle. Follow us on Social Media to be the first to know about DOMLEC updates.

The project is mainly invested by State Grid Integrated Energy and CATL, which is the largest single grid-side standalone station-type electrochemical energy storage power station in China so far. DTE Energy broke ground on the new 4-hour duration, 220MW (880MWh) BESS project on Monday (10 June).
