Taking Out A Solar Loan
Signing A Solar Lease
Entering A Power Purchase Agreement
Paying in Cash
A power purchase agreement (PPA) is another way to pay for solar without taking out a loan or making a large purchase upfront. With a PPA, there are typically no upfront costs, and you still pay for electricity based on your usage -- but at a reduced rate to incentivize clean energy. PPAs usually require that panels be installed on your property, but See more on consumer affairs Forbes
