Overview

Should Hainan have a zero-tariff system?

With a zero-tariff system fundamentally in place after the independent customs operation, high-quality global resources can flow into Hainan with greater freedom and efficiency, Wu said. Trade liberalization and facilitation are defining features of a free trade port.

Will Hainan become a free trade port?

HAIKOU, June 1 -- In June 2020, China released a master plan to develop Hainan into a globally influential and high-level free trade port by the middle of this century. Over recent years, the island province has sought to build itself into an international tourism and consumption center with booming duty-free shopping.

Will Hainan FTP be a key gateway for China's new era?

"With the independent customs operations, Hainan FTP is poised to become a key gateway for China's new era of opening up and innovation," Cai added. China's Hainan Free Trade Port (FTP) is set to launch an island-wide independent customs operation on Dec. 18, 2025, underscoring the country's wider push for high-standard opening up.

Will Hainan become a free trade zone?

In April 2018, China announced plans to transform the island into a pilot free trade zone, with a long-term vision of developing a free trade port with Chinese characteristics. A master plan released in 2020 aimed to make Hainan a globally influential hub for high-level openness by mid-century.
