Our 40ft New Single-Phase Low Temperature Refrigerated Storage Containers are built from brand-new ISO-grade CORTEN steel containers and equipped with brand-new commercial refrigeration systems optimized for deep freezing performance. Perfect for industries like frozen foods, seafood storage.

Recycled Claim Standard 100 (RCS100) certified products contain recycled content (>95%) that has been independently verified at each stage of the supply chain, from the source to the final product. The purchase of Recycled Claim Standard (RCS) certified products demonstrates demand for recycled.

Labotronics Cold Storage Cabinets are designed for reliable low-temperature storage of perishable items, pharmaceuticals, and biological samples across various laboratory and industrial applications. We offer Side Air-out Cold Room Units, Top Air-out Cold Room Units, Semi-hermetic Top Outlet Split.

LOWENCO delivers optimized freezer storage solutions trusted by leading biotech and pharmaceutical companies. With more than 220 installations worldwide, our modular freezer systems are a proven choice for securing critical products at scale. Why choose LOWENCO?

Why choose LOWENCO?

The LOWENCO LSSU.

The temperature probe is equipped with a protective cover to ensure accurate temperature sensing. Electronic temperature controller provides digital temperature display, hi/lo temperature alarm and sensor fault alarm. The handle with a lock is practical and attractive. High-quality casters, with.
