Select from the links below to download Brochures, Specification Sheets, Safety Data Sheets, or view Warranty information. Our goods are supplied with a warranty against defects for the period of time and application displayed on product face and top labels. If our testing determines the battery is.

Manufacturer's and extended warranties should give extra protection — above what you get with consumer law. Your rights under the Consumer Guarantees Act (CGA) still apply once any other warranties expire. When you get a warranty on something you buy, it can be: an optional extended warranty that.

At Battery Town a nationwide written warranty card can be provided with every battery. It provides information on the purchase, along with a toll-free number (0800 566 667) that connects you to the nearest support nationwide. With or without the card you can stop at any Battery Town, no matter.

Modular battery cabinet for extended runtime for UPSs with internal batteries. The cabinet is supplied without batteries, so batteries must be purchased separately. Up to six battery strings (E3SBT4 or E3SBTH4) can be installed in the cabinet. The estimated time to ship for each product we sell is.

Our batteries are covered by a free of charge replacement warranty that is backed by Australasia's leading battery supplier. The purchase receipt should always be kept as proof of purchase. Possible causes of battery failure that are not the result of faulty manufacture include:.

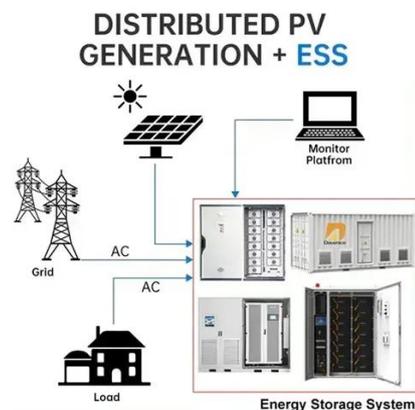

on-battery-ca ip across Aotearoa. Whether you need one cabinet or a full-site

rollout, we've got you covered. At Beacon, we don't just supply best-in-class safety equipment — we advocate for better
