

# Phnom penh announces subsidies for energy storage projects

## Overview

---

PHNOM PENH--The Asian Development Bank (ADB) has approved a \$127. 8 million loan to support the construction of transmission lines and substations to help provide Phnom Penh and three provinces with reliable electricity supply.

PHNOM PENH--The Asian Development Bank (ADB) has approved a \$127. 8 million loan to support the construction of transmission lines and substations to help provide Phnom Penh and three provinces with reliable electricity supply.

Phnom Penh (FN), Sep. 27 – The Cambodian Council of Ministers approved 23 new investment projects in the power sector for the period 2024-2029, aimed at addressing the country's ongoing power shortages. The approval was made during a weekly cabinet meeting chaired by Cambodian Prime Minister Hun.

Phnom Penh, 28th April 2025 – The Ministry of Mines and Energy, the United Nations Capital Development Fund and the United Nations Development Programme launched a new project, “Accelerating Energy Efficiency in Cambodia’s Building Sector”. The project funded by the United Nations Joint SDG Fund.

According to TrendForce, Cambodia is accelerating the development of clean energy to reduce its reliance on imported energy, enhance the country’s energy security, ensure reliable and affordable power supply, and help this Southeast Asian nation achieve its goal of having at least 70% clean energy.

Energy minister: 70% renewable power by 2030, \$5 billion in new green energy projects Cambodia is accelerating its energy transition with a bold plan to reach 70 per cent renewable power generation by 2030, underpinned by 23 new green energy projects worth nearly \$5 billion. Minister of Mines and.

On September 23, the Japan International Cooperation Agency (JICA) signed a loan agreement with the Government of Cambodia in Phnom Penh, to provide Japanese ODA loan for the Project for Phnom Penh City Transmission and Distribution System Expansion Project (Phase 2) (III). Outlines on the project.

Phnom Penh, Cambodia, May 13, 2025 – PPCBank and Cam Chilbo Electric Power Co., Ltd. (Cam Chilbo) have signed a strategic memorandum of understanding (MoU) to jointly promote the development of renewable energy and greenhouse

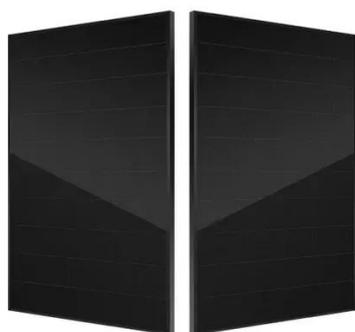

gas reduction initiatives across Cambodia. This collaboration reaffirms.
