A cabinet contract is a formal agreement that outlines the terms and conditions of a cabinetry project between a cabinet maker, the client, and occasionally a contractor. These contracts are essential for ensuring that all parties have a clear understanding of their responsibilities, the project.

A comprehensive cabinetry contract serves as a legally binding agreement outlining the specifics of a custom cabinetry project. This document protects both the client and the cabinetmaker, ensuring clarity regarding design, materials, timelines, payment schedules, and dispute resolution mechanisms.

Contractor agrees to construct and install all cabinets and countertops, and other related work as specified for the Employer on the terms and conditions set forth in this agreement, as follows: _____ . (a) Work shall be performed at the following address: _____ . (b).

Should Purchaser request any changes or extra work, Seller shall determine the

cost thereof and such work will only be included as part of this Agreement pursuant to a written change to this Agreement signed by both parties. The Purchaser shall pay in advance to Seller, the total cost of each.
