

Solar pressure cabinet horizontal board

Overview

What is PV Grid connected cabinet?

IPKIS presents PV grid connected cabinet, a crucial part of solar systems that acts as the main connection point between a solar power station and the electrical grid.

What are Apollo solar pre-wired cabinets?

The Apollo Solar Pre-Wired Cabinets are the latest in the line of products designed to meet the exacting needs of installers. In our factory, we assemble a complete solar energy system with Charge Controllers, Inverter/Chargers along with all the proper size Circuit Breakers and external connectors.

What are Apollo solar pre-wired panels (PWP)?

Apollo Solar Pre-Wired Panels (PWP) save time for the installers on site and they eliminate the possibility for errors. The necessary Charge Controllers and Inverters are mounted, along with the Circuit Breakers and wire termination point on an aluminum panel. The internal wiring is completed and the panel is fully tested in our factory.
