OutD “M” series outdoor cabinets are the new series of the new modular cabinets. Modular construction of the cabinet is very user friendly. Many parts like door, back wall, side walls and roof can be opened, demounted or removed on site to make the installation of the customer equipment as easiest.

As one of the leading outdoor telecom cabinet manufacturers, Machan offers a comprehensive range of customizable cabinets that are designed to protect and store equipment in remote sites. Our cabinets are built to withstand harsh weather conditions and provide excellent protection for power.
